

~~CONFIDENTIAL~~

21 October 1954

To: Chairman, Subcommittee on Exploitation of
Foreign Language Publications

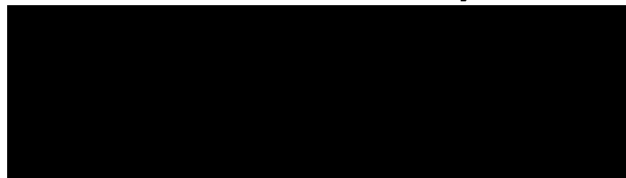

From: CIA Representative

Subject: Revision in coverage of agricultural items in Eusats
Publications

1. It is requested to add to CIA statement of need and incorporate in the FDD programmed exploitation of European Satellite publications the coverage of local items dealing with agriculture. This coverage of agriculture is desired by the responsible ORR Branch beyond the request for general coverage of agricultural information presented by the CIA representative earlier.

2. Both materials of general and detailed nature from the central and provincial press are needed by this Branch (M/AG). It is understood that the degree of implementation will be a matter of liaison between East Europe Branch of FDD and M/AG of ORR.
